

BWEP Dispatch #P011S

Recommended Vehicle: Tundra/Float-Amphibian/Helicopter

Scenery Needed:

- BWEP Richardson Highway
- ORBX Base / ORBX Vector

Nature of Dispatch: Picking up/Dropping off personnel.

Starting Location: Black Rapids 5BK

Special Instructions: Start at 5BK. Fly to the #2 Jetty Construction Site at way point P011S. Depending on aircraft, land tundra between highway and water. If heli land near green office building. If float-amphibian, land in water at end of the jetty. Drop off personnel. Fly to the Island Pump Set area at way point P011B. Heli and float, land at the helipad area. Tundra, land at the orange smoke by the land-based pump house. Exchange workmen and fly back to 5BK.
